A red-toned illustration of a man standing on a hill, looking at a school building. The man is seen from the back, wearing trousers and holding a rolled-up document. The school building is a large, multi-story structure with a central entrance and a smaller building to the left. There are trees and a path leading to the building. The entire scene is rendered in a monochromatic red color.

Dedication

A small red-toned illustration of a cross on a hill, located to the left of the dedication text.

We, the Class of 1951, dedicate the MARQUETTE this year to the former students of Bishop Noll High School who have answered Christ's call, "Come, follow Me," and as priests, Brothers or Sisters are keeping the Cross aloft on the trail emblazoned by Father Marquette.

ON THE TRAIL

Senior History

Four years ago, on a bright September day, two hundred forty timid freshmen assembled in the gym to hear Father Junk explain the pattern of life at Noll. We were especially proud to be the first freshmen to study in the new building. A month later, on October 5, we were present at the formal dedication of our High School by His Excellency, John Francis Noll, in whose honor the school is named.

Our first year was a very pleasant one; we made new friends, attended the football and basketball games, the school dances, and enjoyed the amateur shows.

In the fall of 1948 we had risen to the position of sophomores; we were greatly relieved not to be called "greenies." Several new clubs were organized that year: the Student Council was formed in order to insure democratic spirit in the school; the Prop and Publicity and the Pep Clubs also made their debut. We carried on a magazine drive which was remarkably successful.

As juniors we were the fortunate students in charge of the WARRIOR; we also initiated the daily broadcast of the

WARRIOR NEWS. Our Junior Prom with its theme, "Tropical Illusion" spread a pleasant glow over the last few weeks of school.

September, 1950, was not only the Year of Jubilee in the Church but it also marked the beginning of the year of jubilee for our class. Successful football and basketball seasons produced "Speechless" days, sprained ankles, but happy hearts.

The Choral Club took the limelight for its production of the Gilbert and Sullivan operetta, H. M. S. PINAFORE. It had the distinction of being presented in the Whiting Community Center.

The Dramatic Club presented its first play, "Best Foot Forward" with leads from the senior class. Then came the all-senior cast in "Mother was a Freshman."

Radio broadcasts in Gary and Hammond, K. of C. oratorical contests, Girls' Conference Day, field trips to Standard Oil Refinery and the Museum of Science and Industry, the Girls' tea at St. Mary's College, South Bend—these filled our hours with happiness.

With the inspiring May Coronation and the commencement week we have covered some yardage on the trail of life. Reluctantly we say "goodbye" to Noll, but we accept the challenge to exercise the virtues and use the knowledge we have acquired. May the memory of these closing days of consecration keep us true to the ideals presented to us by our Principal and Faculty.

Message To Graduates

To The Graduating

Class Of 1951

I hope all of you will strive to live a truly Christian life. Try to become as faithful an imitation of Christ as you can by loving God with your whole heart and doing good to everyone. All else is sham and hypocrisy except to know God and love Him.

In your outlook on life, always insist on the dignity of man as man. Every human being has rights and responsibilities just because he is a man. No government can take away these rights, and any government that attempts to do so, even under the guise of democracy, is unchristian and should be known and branded as such.

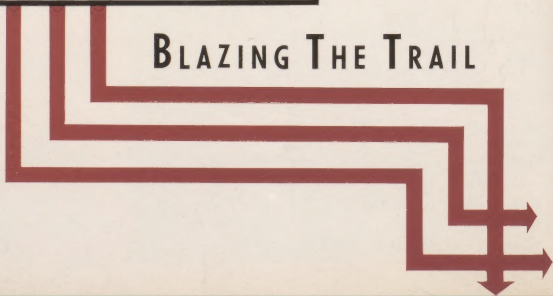

May God bless you and your every good deed for your fellow man.

Basketball 1950-1951

The Noll Warriors, under the skillful direction of Coach Edgar Hudson, had a good season. They started off slowly but soon warmed up to the game and began to "Hustle." By tournament time they found themselves a fast-playing and well co-ordinated team by using a new "press" defense. They won the first game from Hammond High by a score of 58-57. The team continued their work by proving victors over the Griffith Panthers. In the semi-finals Clark breezed ahead in the last half to break the winning streak of the Warriors.

Coach Buckley's Freshman-Sophomore team also won an enviable reputation.

Girls Gym

Here at Noll, girls like to an active part in sports such as basketball, volleyball, and softball. They hold their own intra-murals, sponsored by the Girl's Athletic Association, and competition becomes stiff with each team backed by their own homerooms. Recently tennis courts have been made available to the girls during gym periods and on any sunny day you can see the girls learning how to serve and volley in the speedy game.

Results of the homeroom intra-murals were as follows:

ACTIVITIES

FOLLOWING THE TRAIL

Bi-Phy Chem

The Bi-Phy Chem, under the leadership of Sister M. Rosalia, has increased its membership of students who have attained scholarship in Biology, chemistry, or physics. The annual SCIENCE FAIR which is sponsored by this organization has been not only an incentive to the members but also an interesting event for the entire student body. Another project of the club is the annual trip to the Museum of Science and Industry in Chicago.

The officers of the club are: M. Petronella, D. Hebard (Pres.), R. Paliga, and R. Dunn.

The group pictured below is composed of the members of the Bi-Phy-Chem who have merited at least a "B" during the year and have shown lively interest in their respective fields.

Student Council, left to right:
D. Austgen, B. Brandt, J.
Muflur, E. Cera, L. Grodzicki,
J. O'Drobinak, R. Gauthier,
S. Crispi, Mr. Frank Ciszczon
and C. Schramm, Pres.

Student Council

To bring the faculty and student body into a closer and more cooperative relationship has been the primary aim and accomplishment of the Student Council. In addition, under the capable guidance of its faculty advisor, Mr. Frank Ciszczon, important strides have been made in organizing and enlarging the combined social activities of the various clubs in our school.

C. S. M. C.

The Catholic Students Mission Crusade aims to make our students mission-minded through prayer, study and sacrifice. The chief activities of this unit include the annual shipment of over 700 lbs. of supplies to missions in East Pakistan, the collection of Catholic magazines and cancelled stamps, and the Crusade Pen-Pal Club. Monthly programs on the First Friday inspire continued zeal.

Tri-Opus

Since 1940, the Tri-Opus Club, under the expert guidance of Sister M. Holy Innocents, has become one of the most successful clubs at Noll. The requisite for membership is outstanding work in the three commercial subjects: typing, shorthand, and bookkeeping. This organization has proven its practical value in preparing its members to take their place in the business world.

The officers of the Tri-Opus club standing left to right are: Anne Suchar and Kathleen Quinn; seated, Colleen Orr.

Prop and Publicity

This "up and coming" group was organized in 1948 under the sponsorship of Miss Walsh. By means of attractive and effective posters and placards, interest in extra curricular functions has been aroused and maintained.

Officers of the Prop and Publicity Club standing, left to right, are: M. Pado, P. Synko, R. Heier; L. Heibel; T. Pado; seated: Sponsor, Miss Walsh.

Junior Red Cross

Our Junior Red Cross promotes friendly relationships through service. Notes of appreciation have been received from German and Arabian students for our gift boxes and scrap books. At home the J. R. C. takes care of book carts and makes colorful holiday decorations for the infirm; it also provides many useful articles for our disabled veterans.

Agnes Kaspar, Terry! Blacktop and Betty Fiedler act as publicity committee for our unit broadcast on Leadership. Janet LaMere is Vice-President of the Hammond Chapter and President of our unit; Eileen Cera is Vice-Pres; and Janet Berg, secretary.

Standing, left to right: E. Riddle, H. Such.
Seated: J. LaMere, J. Berg.

National Honor Society

Students are challenged to high scholarship, leadership, integrity of character and service by the Maryoll Chapter of the National Honor Society. Besides the monitor service the N. H. S. is offering cumulative scholarships to a worthy boy and girl graduating from a Catholic grade school in Lake County. Sister Marie Celine is club sponsor.

Warrior

The WARRIOR, our bi-weekly publication of students' activities, is edited by juniors who form the newly organized Journalism Club. Not only does this paper report news promptly and in an entertaining manner, but it also serves as an important means of contact between Bishop Noll High School and other schools. An important outlet of the WARRIOR is the daily news broadcast presented over the public address system by the WARRIOR OF THE AIR STAFF.

Left to right: S. Crispi, J. Cvitkovich, A. Pelachek, P. Duhon.

Fathers' Club

The loyalty and support of the Fathers' Club never diminishes. Our Dads help us in many of our undertakings, particularly in the school bazaar. The focal point of their program each year is the Athletic Banquet by which they pay tribute to capable athletes.

Mothers' Club

The Mothers' Club is characterized by energy and efficiency in its various activities to aid the school. These projects include style shows, card and bingo parties, and assisting the students and the Fathers' Club in the annual bazaar. Another important phase of this organization is the cafeteria service, so expertly managed by the mothers.

Operetta

Did you hear someone say, "I am the Captain of the Pinafore," and a charming voice reply, "I'm called little Buttercup"? You heard them with delight in Gilbert and Sullivan's operatta, H.M.S. PINAFORE, the Senior Choral Club's production.

PINAFORE afforded students not only a musical and dramatic experience but also an example of cooperative effort. Over a hundred students and nine faculty members pooled their talents to effect the musical extravaganza staged at the Whiting Community Theatre on January 14 and 16.

Band and Orchestra

Someone has said "Music doth quicken the heart." Mr. Sarvello, with Noll's Band and Orchestra, has warmed many hearts during the year, especially at the Spring Music Festival of April 22 and 24.

Camera Club

Every major function at Noll has been pictorially recorded by our amateur photographers who have been instructed in the fine points of their fascinating hobby by Mr. George Savin, Moderator of the Club. Our "shutter-bugs" will have the permanent satisfaction of pursuing their avocation in the years to come.

The staff of the MARQUETTE of '51 sincerely appreciates the untiring and earnest efforts of the members of this club who have so generously devoted long hours to the taking and processing of many photographs which we have incorporated into this yearbook.

Senior Choral Club

The hope of those who love to sing . . . for the long hours of preparation at last resound in many appearances in the school and in the community. Father Melevage forever applauds the esprit de corps and gaiety of the members.

Junior Choral Club

Noll's tradition of beautiful singing demands adequate voice training. Sister Xavier Therese's effective method is proven at Christmastide and at the Spring Music Festival.

Men's Club

A select group of boys who sing Palestrina, Victoria, and Gregorian Chant, dedicate their efforts exclusively to the service of God. The Baccalaureate Mass is their great challenge.

Pep Club

Pep Club Officers, left to right: J. Davis, J. Rakos, B. Schneider, P. Leeney, S. Kijowski.

The Pep Club, under the direction of Miss Walsh, has helped to promote school spirit and unity among the students at Noll athletic contests. Members of this club follow the teams at all games, whether at home or off campus, and cheer our boys on to victory. Besides providing encouragement for the Warriors through their cheers, Pep Club students back that support with their prayers.

The Monogram Club consists of the boys who have been awarded a major letter for their participation in interscholastic athletics. The major aim of the Monogram Club is the promotion of the virtues of sportsmanship and leadership among the student body. This club meets bi-monthly. Each year several social events take place through the efforts of the Monogram Club.

Dramatic Club

The Dramatic Club traced the growth of a play from the first reading of the script to the final curtain and "striking" of the set. Some sought the spotlight and earned the applause of delighted audiences; others manned the crews behind the scenes and knew the satisfaction that came from working with their hands. All were motivated by the same desire, to share their love for the theatre with their school and community.

The climax of the dance was her coronation by co-captains Gerald Stupeck and Phil Susie. Many alumni participated in the Homecoming proceedings which were sponsored by the Monogram Club with able representatives of all school organizations.

TARGET OF OPPORTUNITY

Congratulations! You've passed an important milestone in your life. What now? Many of you face a responsibility to serve our country in the armed forces. Many of you . . . now, or in the future . . . will be called on to do an equally important task . . . to produce the goods this country needs to maintain its military and economic stature in the world. In peace and war . . . *steel* is one of the nation's most important resources.

Inland Steel has been at Indiana Harbor for 50 years. And ever since that day in 1901 when ground was first broken, Inland has steadily expanded and modernized this plant.

Inland is an integrated steel company. This means the entire cycle of steel production . . . from raw material to finished steel . . . is carried on by Inland.

Today there's no particular trick in finding just "a job." The problem is, *finding a future* . . . locating an organization that welcomes young men and women . . . and offers them interesting, profitable and secure jobs . . . *but more important, gives them a chance to get ahead!* These are the things you want in a career. These are the things Inland offers young men and women. Your target of opportunity is the Inland Steel Company.

A Word of Appreciation

We are deeply grateful to the Alumni of Hartnett College, whose splendid records in business have made possible our growth and success as business educators. The distinction our young men and young women have brought to us is greatly appreciated.

We invite into membership with us other young men and young women who may wish to follow in the steps of those who have achieved success and happiness in preparing for their life's work in our school.
